Dear Mrs. Knott,

Re: Petition for Specified Area

We have been contacted by Mrs. Stoba, who lives at 810 Mt. Newton Cross Road, in regards to the petition for a watermain on Mt Newton Cross Road and Senanus Drive

Mrs. Stoba indicated that she had signed the petition, but that she wished to withdraw from it at this time. She indicated that she felt she had been misled by the person presenting it to her, and on further reflection, she did not support the proposal

Please remove her name from the petition before it is presented to the District.

Yours truly,

Donavon Bishop, A.Sc.T.
Senior Engineering Technologist
