	<p>July 1, 2008 Mayor and Council Dear Sir or Madam: I am writing to you with respect to the proposed Mount Newton X Road Waterline Extension project. My wife and I have lived at 912 Mt Newton X Road for ten years now and were living here in 2001 when the first petition for this project was circulated at that time. We did not sign the petition at that time for two reasons: 1) we felt that there was insufficient evidence documenting a health concern for the residents of Senanus, and 2) we felt that other alternatives to a waterline extension had not been sufficiently explored (e.g. in-home filtration systems, cisterns, etc.). These concerns remain with us today but in this letter I would like to draw your attention to 3 other concerns that are relevant to the current process. First, we were not even made aware of the recent petition process and are left wondering if perhaps the petitioners elected to</p>
