To Major and Council!

After reading about the Regional Context Statement I am really hoping that you do NOT vote in favour of this. We are so lucky to have restrictions/controls in place to keep our land the way it is. We are still moving ahead with our limited growth plan which I hope we save in the OCP. Let us be leaders!

Marion Aussenegg, 1259 Marchant Rd. Brentwood Bay 652-3219
