(Copyright The Province 2001)

VICTORIA -- The well water that comes out of taps in homes on **Senanus** Drive smells and tastes awful. But the Capital Regional Board decided yesterday that doesn't make it enough of a health hazard for it to interfere. It referred a report on the area's water quality by the region's medical health officer back to Central Saanich municipal council, which has refused to hook up **Senanus** Drive residents to the municipal water system.
