### **Good news and bad news**

Infrastructure in Central Saanich got a yea and a nay from the Canada-BC Municipal Rural Infrastructure Fund Program. The East Saanich Road cycling/pedestrian upgrade program was denied funding from the grant program. However, the Senanus watermain project was successful in securing a grant.

Through the MRIF program, the province and federal government will each contribute \$563,333.00 to the project. The District of Central Saanich's share will be \$563,334.00.
