Canada-British Columbia Water Supply Expansion Program

The Canada-British Columbia Water Supply Expansion Program (CBWSEP) provides eligible applicants assistance for the planning and development of projects that will improve their ability to develop and enhance long-term, sustainable agricultural water supplies.

Eligible applicants include:

- individual and/or incorporated groups of farmers and ranchers;
- agricultural and conservation groups;
- rural communities and municipalities;
- agri-businesses and rural enterprises,
- educational institutions, and
- provincial government departments, agencies and Crown Corporations.

Three types of projects are supported:

- Tier One – On-farm infrastructure projects;
- Tier Two – Multi-user infrastructure projects, and;
- Tier Three – Strategic work projects.

**Application deadlines for all three tiers are
May 1, June 1 and September 1, 2008.**

For Tier One information and application forms, contact the B.C. Agriculture Council at **1-866-522-3447**. For Tier Two and Three information and application forms, call **1-800-667-8567**.

Applicants must receive written approval of their application prior to the start of a project to be eligible for funding.
